EXPERIENCE

Content Consultant, MC Party

10/2021 – present

I work on MC Party an upcoming Minigame server being created by the twitch streamer Masayoshi (<https://twitch.tv/masayoshi>) on content consultation and occasional configuration

Starvation, Twitch Rivals

Starvation is an upcoming event hosted and sponsored by twitch rivals. Currently i am assisting with content management and design ideas

Maritime/Mineglobe, Manager

08/2021 – 02/2022

Maritime and Mineglobe is a 1.18 SMP server that averaged around 50-100 and 200-600 players. I was in charge of overseeing content updates and bug fixes as well as day to day tasks

ConquestMC, Manager

I worked briefly as a manager on a server called ConquestMC which was a prison server in development the project was then given to the owners of Arkham Network and unfortunately, I was not a part of that arrangement. My job was to write staff docs and general staff-related situations

MallMC, Project Management

I was a manager for a team that was working on a project and I was in charge of making sure they met deadlines My job was to design games and make sure the Development team was on schedule. Unfortunately, the project never saw the light of day
